

Application for Participation in the GEM Consortium

UNIVERSITY PROFILE and DIVERSITY:

University: _____

Contact Person: _____ Email Address: _____

Minority Initiatives currently in place at the university, specifically in Science & Engineering:

Institution classification: ___ Doctoral, ___ Comprehensive, ___ Research 1, ___ Research 2)

Student Organizations for minorities in Science and Engineering: _____

Career planning and placement assistance for engineering and natural science students (faculty or post-doctoral positions). _____

Please attach a mission/vision statement of your university, including the Graduate School's mission on Diversity and Affirmative Action

THE STUDENT BODY:

The GEM program is designed to assist engineering students and those in natural science disciplines (chemistry, physics, earth sciences, mathematics, biological sciences and computer science). Please provide the following figures averaging over a five year period:

OVERALL	Men	Women	Minorities	US	International
Undergraduate					
Graduate					
Retention/Degrees awarded for Bachelors					

Engineering	Men	Women	Minorities	US	International
Undergraduate					
Graduate					
Retention/Degrees awarded for Masters					
Retention/Degrees awarded for PhD's					

Natural Science	Men	Women	Minorities	US	International
Undergraduate					
Graduate					
Retention/Degrees awarded for PhD's					

How do you anticipate your participation in GEM impacting the presence of minority students on campus? _____

THE INSTRUCTIONAL STAFF (including FACULTY):

Male: _____ Female: _____ Minorities (ethnic): _____ Minority Administrators: _____

Research interests of the Science & Engineering faculty: _____

Evidence of faculty and department commitment to mentoring, guidance and counseling is in place (Undergraduate/Graduate). Include those envisioned for future GEM recipients:

Level at which the GEM representative will report: _____

FUNDING:

Total \$* awarded to Undergrads per year	Total \$* awarded to Graduates per year	Percentage of dollars awarded to Undergrad Minorities	Percentage of dollars awarded to Graduate Minorities	Level of award to top scholars in graduate school	Level of support planned to supplement GEM stipend	Total research \$ received by the university for Science and Engineering

*Include fellowships, scholarships, internships, teaching assistantships, research assistantships

CORPORATE SPONSORSHIP:

Would you be able to arrange for a corporate sponsor to partnership with the GEM program?: ___

Do you currently have corporate sponsors willing to partnership with the GEM Program? _____

What is your current industry in which you are involved; what is the possibility of future involvement?: _____

PARTICIPATION IN THE GEM PROGRAM REQUIRES THE FOLLOWING (schools not able to fulfill this commitment would not be considered for the GEM program):

- Attend annual board meeting
- Take an active role in recruiting, supporting and retaining GEM fellows at their university
- Be up to date on dues
- Internal program to financially support GEM students, including the four year pledge for PhD students (include any tuition waivers)
